# NC Water Pollution Control System Contract Operators List ~ September 16, 2013

The following operators or operations firms have notified the Division of Water Resources (DWR) that they are interested in contracting their services. This is not a comprehensive list and inclusion on this list does not constitute an endorsement by DWR. This information is provided as a resource for the purpose of convenience.

Before hiring a contract operator or operations firm, system owners should verify that the operators who will be designated as the ORC and Backup ORC possess active certifications of the appropriate type and grade by checking the Certified Operator Lists at http://portal.ncdenr.org/web/wq/tacu-cert-oper-lists. If you would like to be added to this list, you can obtain a Contract Operator Request Form at http://portal.ncdenr.org/web/wq/tacu-downloads.

# NC Water Pollution Control System Contract Operators List ~ September 16, 2013

The following operators or operations firms have notified the Division of Water Resources (DWR) that they are interested in contracting their services. This is not a comprehensive list and inclusion on this list does not constitute an endorsement by DWR. This information is provided as a resource for the purpose of convenience.

Before hiring a contract operator or operations firm, system owners should verify that the operators who will be designated as the ORC and Backup ORC possess active certifications of the appropriate type and grade by checking the Certified Operator Lists at http://portal.ncdenr.org/web/wq/tacu-cert-oper-lists. If you would like to be added to this list, you can obtain a Contract Operator Request Form at http://portal.ncdenr.org/web/wq/tacu-downloads.
