Wednesday, August 4th – Ocracoke Island

Tuesday, June 8, 2010, 10am – Project Kickoff Meeting

We will be in the classroom (NOAA Building) for approximately 1 hour to discuss any last minute logistics and field sheet changes that were made. From there we will be visiting 4 Marsh Sill locations to become familiar with the field sheet and to gain consensus among the agencies that will have multiple people working on this project. We will plan to eat at the Duke University Cafeteria. The meals at this location vary, but usually include a couple hot dishes (usually at least one that is vegetarian), sides, salad, and dessert. The cost is approximately $5.50 and includes access to the buffet and a drink. Or you may bring your own lunch and eat with us at the Cafeteria.

Please meet at the NOAA-NERR Auditorium, Pivers Island, Beaufort, NC at 10am.

Wednesday, August 4, 2010 – Ocracoke Island – Field Team Optional

We will be visiting the sites on Ocracoke.

46565B – Toth Property
Beyond this, Steve Trowell will take us to 3 additional sill sites not specifically in this evaluation effort so that we can make good use of our time on the island.

Depending on where you are coming from, we may be all on different ferries. You will need to make a reservation for the ferry. And you will have to pay for the ferry ($15 each way for cedar island and swan quarter) as well – this is a change from recent years where state vehicles were free on the ferries.

For the various ferries to Ocracoke please arrive accordingly:
Cedar Island – 9:30 am (arrive at least 30 minutes early to claim reservation)
Swan Quarter – 9:30am (arrive at least 30 minutes early to claim reservation)
Hatteras – 10am (first come, first serve free ferry)

Return ferry times:
Cedar Island – 3:30pm or 6pm
Swan Quarter – 4:30pm
Hatteras – Ferry departs every 30 minutes

This will be a very long day. Please plan accordingly.
