Determination of Minor Construction Activity

North Carolina Division of Water Quality
Construction Grants and Loans Section

Project Applicant: City of Gastonia
Date: April 29, 2009
Project Number: 2W370744-04
Estimated Project Cost: $ 308,532
Estimated Funding Amount: $ 308,532

Project Description: The proposed project consists of installation of 371 linear feet of 24-inch CIPP liner in a 24-inch corroded class A concrete pipe that has suffered extensive corrosion from hydrogen sulfide, at the Catawba Creek Pumping Station. The project includes rehabilitation of the main inflow vault, replacement and lining of 24-inch bends in the pipe, temporary by-pass pumping or piping during the construction, and replacement of incidental driveway and sidewalks necessary to complete the project.

The above named applicant intends to apply for assistance from the State Revolving Fund program associated with the American Recovery and Reinvestment Act of 2009 to construct the wastewater facilities described above. The North Carolina Division of Water Quality (DWQ) has conducted a review of the project in accordance with the procedures (NCAC 15A Subchapter 1C) for conformance with the North Carolina Environmental Policy Act. The DWQ has determined that this project is a minor construction activity, and that the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by DWQ. This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environment and Natural Resources, Division of Water Quality, Construction Grants and Loans Section, and is available for public review at www.nccgl.net.

Comments concerning this decision may be addressed to Mr. Kim H. Colson, P.E., Assistant Chief, Construction Grants and Loans Section, Division of Water Quality, 1633 Mail Service Center, Raleigh, North Carolina 27699-1633, or he may be reached by phone at (919) 715-6212.

Sincerely,

Daniel M. Blaisdell
