Determination of Minor Construction Activity

North Carolina Division of Water Infrastructure

Project Applicant:	City of Henderson
Date:	September 16, 2011
Project Number:	CS370410-08
Estimated Project Cost:	$1,836,000
Estimated Funding Amount:	$1,800,000

Project Description: The proposed project will replace two sections of the existing, undersized Elmwood Cemetery sewer main in the Nutbush Creek sewershed. The proposed project includes (1) replacing approximately 1,820 l.f of 15-inch gravity sewer main with same length of 18-inch gravity sewer; (2) replacing approximately 3,220 l.f of 18-inch gravity sewer with same length of 24-inch gravity sewer; (3) installing approximately 300 l.f of 36-inch steel encasement pipe by bore and jack; and (4) installing approximately 26 concrete manholes with a 5-foot diameter.

The above named applicant intends to apply for assistance from the State Revolving Fund program to construct the wastewater facilities described above. The North Carolina Division of Water Infrastructure (DWI) has conducted a review of the project in accordance with the procedures (NCAC 15A Subchapter 1C) for conformance with the North Carolina Environmental Policy Act. The DWI has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by DWI and will be available on the DWI Infrastructure Finance Section's website (http://portal.ncdenr.org/web/wq/ifs/er/fonsis). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environment and Natural Resources, Division of Water Infrastructure, Infrastructure Finance Section, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Facilities Evaluation Unit, Infrastructure Finance Section, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Kim H. Colson, P.E., Acting Director
Division of Water Infrastructure
