NC Water Pollution Control System Contract Operators List ~ July 2, 2013

The following operators or operations firms have notified the Division of Water Quality (DWQ) that they are interested in contracting their services. This is not a comprehensive list and inclusion on this list does not constitute an endorsement by DWQ. This information is provided as a resource for the purpose of convenience.

Before hiring a contract operator or operations firm, system owners should verify that the operators who will be designated as the ORC and Backup ORC possess active certifications of the appropriate type and grade by checking the Certified Operator Lists at http://portal.ncdenr.org/web/wq/tacu-cert-oper-lists. If you would like to be added to this list, you can obtain a Contract Operator Request Form at http://portal.ncdenr.org/web/wq/tacu-downloads.

CS = Collections
PC = Physical/Chemical
LA = Land Application
SI = Surface Irrigation
SS = Subsurface
AWA = Type A Animal Waste
AWB = Type B Animal Waste

NC Water Pollution Control System Contract Operators List ~ July 2, 2013

The following operators or operations firms have notified the Division of Water Quality (DWQ) that they are interested in contracting their services. This is not a comprehensive list and inclusion on this list does not constitute an endorsement by DWQ. This information is provided as a resource for the purpose of convenience.

Before hiring a contract operator or operations firm, system owners should verify that the operators who will be designated as the ORC and Backup ORC possess active certifications of the appropriate type and grade by checking the Certified Operator Lists at http://portal.ncdenr.org/web/wq/tacu-cert-oper-lists. If you would like to be added to this list, you can obtain a Contract Operator Request Form at http://portal.ncdenr.org/web/wq/tacu-downloads.
