2010 Phase II Designation Public Notice **December 22, 2010**

Pursuant to Session Law 2006-246, Section 5, the following public entities have been identified as candidates for State designation as a regulated Phase II public entity under the National Pollution Discharge Elimination System (NPDES) stormwater program. ***These entities are only being considered for designation at this time. The final decision on designation will not be made until public comment and other relevant information has been compiled and considered***:

2010 Phase II Designation Candidates		
Lumber River Basin	**Yadkin Pee-Dee River Basin**	
Laurinburg	Albemarle	North Wilkesboro
Lumberton	Asheboro	Rockingham
Pinehurst	Fairview	Spencer
Red Springs	King	Statesville
	Lexington	Unionville
	Mocksville	Walkertown
	Mount Airy	Wingate

The Division of Water Quality is presently accepting comments from any interested member of the public regarding the designation of these municipalities as a regulated public entity. In addition, all or portions of the following non-Phase II jurisdictions may be affected by future post-construction stormwater requirements if the above municipalities are designated:

Aberdeen
Davidson County
Foxfire Village
Hamlet
Iredell County
Moore County
Richmond County
Robeson County
Scotland County
Stanly County
Southern Pines
Troutman
Wilkes County
Wilkesboro

The above entities are located in **candidate coverage areas** which may be formally delineated, depending on which entities are designated. Maps of these areas, as well as additional information on the designation candidates and process, are available on-line at:
http://portal.ncdenr.org/web/wq/ws/su/phase2

Comments must be received no later than **February 14, 2011**. Submit comments to:
