**Determination of Minor Construction Activity**

**North Carolina Division of Water Quality**
**Construction Grants and Loans Section**

Project Applicant: City of Wilson
Date: April 29, 2009
Project Number: 2W370381-07
Estimated Project Cost: $1,396,006
Estimated Funding Amount: $1,396,006

Project Description: The Contentnea Interceptor Lining Project is a sanitary sewer rehabilitation project that consists of the lining of 9,008 linear feet of 30-inch diameter gravity sewer pipe located within the limits of the Contentnea Creek/Wiggins Mill floodplain. This section of the City's interceptor sewer system is over 30 years old and is a heavy contributor to the city's overall inflow and infiltration problem.

The above named applicant intends to apply for assistance from the State Revolving Fund program associated with the American Recovery and Reinvestment Act of 2009 to construct the wastewater facilities described above. The North Carolina Division of Water Quality (DWQ) has conducted a review of the project in accordance with the procedures (NCAC 15A Subchapter 1C) for conformance with the North Carolina Environmental Policy Act. The DWQ has determined that this project is a minor construction activity, and that the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by DWQ. This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environment and Natural Resources, Division of Water Quality, Construction Grants and Loans Section, and is available for public review at www.nccgl.net.

Comments concerning this decision may be addressed to Mr. Kim H. Colson, P.E., Assistant Chief, Construction Grants and Loans Section, Division of Water Quality, 1633 Mail Service Center, Raleigh, North Carolina 27699-1633, or he may be reached by phone at (919) 715-6212.

Sincerely,

Daniel M. Blaisdell

Daniel M. Blaisdell, P.E., Chief
Construction Grants and Loans Section
Division of Water Quality
