Total Cumulative Expenditures: \$318,182.90

Total Remaining Balance: \$81,817.10

Description of Work:

NCWRC is building a new boat ramp at Wright's Creek. The design and construction of this site will provide one launch lane and approximately 20 parking spaces. It will include paved parking areas, efficient traffic flow. The WRC will assume all costs associated with maintenance and operations of this facility.

Project Status/Work Accomplished

All work has been accomplished. The boating access area features two 15-foot-wide concrete boat ramps and a 48-foot floating dock. The paved parking lot includes 23 spaces for vehicles with trailers and 12 spaces for single cars, including three ADA-compliant spaces

Deviations: None

The only thing that prevents this report from being a final report is that we have 1 more invoice to pay.
