PID # _____

Certification Statement (This section must be completed by Applicant)

I, _____ certify that:

1. All the information provided on this application and any supporting documentation provided is true, accurate, and complete. And further, for renewals, any changes in information or supporting documents have been provided at the time of renewal. I understand that any false information or fraudulent disclosures may result in termination of appropriate licenses, permits and related documents, revocation or suspension of marine fisheries licensing and other privileges, and in possible criminal prosecution.

2. I am a resident of the State of: _____

If claiming resident status in North Carolina, I certify further that (check one):

- I have been a legal resident for more than six months, or
If domiciled in North Carolina between 60 days and six months, I have completed and submitted with this application a notarized Certificate of Eligibility for North Carolina Residency.

3. If applying for a Standard or Retired Standard Commercial Fishing License as a North Carolina Resident, I also certify that: (initial the appropriate entry)

- I filed a North Carolina State Income Tax Return for the previous calendar or tax year.
I was not required to file a North Carolina State Income Tax Return for the previous calendar or tax year.

I understand if there are any questions regarding the filing of a North Carolina State Income Tax Return, I may have to provide appropriate tax records, as requested by the Division of Marine Fisheries.

4. For commercial fishing licenses, permits, endorsements or registrations:

- I currently have no marine fisheries licenses, permits, endorsements, or registrations under suspension or revocation and the privilege to hold such licenses, permits, endorsements, or registrations is not revoked or suspended.
I have not been convicted of four or more violations in any jurisdiction related to state or federal law or regulations involving or related to marine or estuarine resources during the previous three years.
I understand that as a condition of accepting a permit from the Division of Marine Fisheries, I agree to abide by all conditions of the permit and agree, that if specific conditions of the permit as identified for the permit are violated, or if false information was provided in the application for initial issuance, renewal or transfer, the permit may be suspended or revoked by the Fisheries Director.

5. NC General Statute §113-221 requires the NC Division of Marine Fisheries to provide a current copy of the rules governing activities authorized by the license you are purchasing. You have the right to request a current rulebook in hardbound or electronic format.

6. For for-hire fishing licenses and endorsements, I affirm that I have liability insurance and that I am knowledgeable of USCG safety requirements for the vessel(s) used in the operation in accordance with G.S. 113-168.6.

7. If application is for a Standard/Retired Commercial Fishing License with a Shellfish Endorsement or a Shellfish License for NC Residents I affirm that I have received the required harvester training.

8. For Ocean Fishing Pier License, linear length of the pier has not changed.

Condition Form

Dealers Permit for Monitoring Fisheries under a Quota/Allocation and/or Permit Required for Specific Management Purposes

Rule Authority (15A NCAC 03J.0505; 15A NCAC 03O.0506, 03O.0504, and 03O.0503):

It is unlawful for a fish dealer to possess, buy, sell, or offer for sale fish taken from a fishery under a quota monitoring requirement without first obtaining a Dealers Permit for Monitoring Fisheries under a Quota/Allocation or Permit Required for Specific Management Purposes for the applicable fisheries and harvest area. Species monitored by a quota requiring a dealer permit are: flounder harvested from pound nets, striped bass, Atlantic Ocean summer flounder, black sea bass north of Cape Hatteras, and spiny dogfish.

Specific Permit Conditions:

DURING THE COMMERCIAL SEASON OPENED BY PROCLAMATION OR RULE for the fishery for which a Dealers Permit for Monitoring Fisheries under a Quota/Allocation or Flounder Pound Net Dealer Permit is issued, it is unlawful for fish dealers issued such permit to fail to:

- Fax or send via electronic mail by noon daily, on forms provided by the Division, the previous day's landings for the permitted fishery to the dealer contact designated on the permit. Landings for Fridays or Saturdays shall be submitted on the following Monday. If the dealer is unable to fax or electronic mail the required information, the permittee shall call in the previous day's landings to the dealer contact designated on the permit but shall maintain a log furnished by the Division.
- Submit the required log to the Division upon request or no later than five days after the close of the season for the fishery permitted;
- Maintain faxes and other related documentation in accordance with 15A NCAC 03I.0114;
- Contact the dealer contact daily regardless of whether or not a transaction for the fishery for which a dealer is permitted occurred;
- Record the permanent dealer identification number on the bill of lading or receipt for each transaction or shipment from the permitted fishery.
- Additionally, **Flounder Pound Net Dealer Permit** holders shall report flounder pound net landings daily beginning September 1. August flounder pound net landings through August 31 are to be reported by September 1 on the Quota Monitoring Permits Daily Reporting Form by individual SCFL/RSCFL. Daily reporting requirements beginning September 1 will continue until the harvest season is closed by proclamation.

The Quota Monitoring Permits Daily Reporting Form does not replace trip tickets. ALL NCDMF Trip Ticket Program reporting requirements must continue to be followed.

General Permit Conditions:

The following conditions apply to all permits issued by the Fisheries Director:

- It is unlawful to operate under the permit except in areas, at times, and under conditions specified on the permit;
- It is unlawful to operate under a permit without having the permit or copy thereof in possession of the permittee or his or her designees at all times of operation and shall be ready at hand for inspection, except for Pound Net Permits;
- It is unlawful to operate under a permit without having a current picture identification in possession and ready at hand for inspection.
- It is unlawful to refuse to allow inspection and sampling of a permitted activity by an agent of the Division;
- It is unlawful to fail to provide complete and accurate information requested by the Division in connection with the permitted activity;
- It is unlawful to hold a permit issued by the Fisheries Director when not eligible to hold any license required as a condition for that permit as stated in 15A NCAC 03O.0501;
- It is unlawful to fail to provide reports within the timeframe required by the specific permit conditions;
- It is unlawful to fail to keep such records and accounts as required by the Rules in this Chapter for determination of conservation policy, equitable and efficient administration and enforcement, or promotion of commercial or recreational fisheries;
- It is unlawful to assign or transfer permits issued by the Fisheries Director, except for Pound Net Permits as authorized by 15A NCAC 03J.0504;
- The Fisheries Director, or his agent, may, by conditions of the permit, specify any or all of the following for the permitted purposes:

Species,	Quantity or size,	Time period,	Location,
Means and Methods,	Disposition of resources,	Marking requirements or,	Harvest conditions.

Unless specifically stated as a condition on the permit, all statutes, rules and proclamations shall apply to the permittee and his or her designees.

As a condition of accepting the permit from the Fisheries Director, the permittee agrees to abide by all conditions of the permit and agrees that if specific conditions of the permit, as identified on the permit are violated or if false information was provided in the application for initial issuance, renewal or transfer, the permit may be suspended or revoked by the Fisheries Director.

Violation of any Rule Condition or items on the permit may result in suspension or revocation of the permit.
