North Carolina Division Of Water Quality Construction Grants & Loans Section

Dechlorination Facilities Fast-Track Authorization To Construct (ATC) Application Cover (To Be Used On and After August 1, 2007)

| INSTRUCTIONS: Indicate that you have included the following list of required application package items by signing your initials in the space provided next to each item. Failure to submit all required items will lead to return of the permit application. | |
|---|--|
| A. | Application Form - Submit one original and one copy of the completed and appropriately executed application form. Any changes to this form will result in the application being returned. The Division of Water Quality (the Division) will only accept application packages that have been fully completed with all applicable items addressed. You DO NOT need to submit detailed plans and specifications at this time. Plans and specifications shall be maintained on-site. |
| B. | Certification Form - Submit the completed engineers certification form signed and sealed by a professional engineer registered in the state of North Carolina. |
| C. | Designated Representative - If the application is being filed by a party other than the owner, a letter from the owner designating the applicant as his/her authorized representative must be included. |
| D. | Read, understood, and followed the Dechlorination System Minimum Design Criteria (adopted 4/18/03 and as subsequently amended). |

The completed application package should be sent to the following address:

North Carolina Division Of Water Quality Construction Grants & Loans Section
