Agenda Item: 10-07 Request for Approval of Delegation to Mecklenburg County to

<u>Implement Portions of the Site Specific Water Quality Management</u> Plan for the Goose Creek Watershed within the Town of Mint Hill

Explanation:

The EMC has the authority to delegate the authority to implement and enforce the State's Stormwater protection requirements of G.S 143-214.7 and Session Law 2006-246 and the State's Riparian Buffer requirements of Rules 15A NCAC 02B .0605, .0607 and .0609 for the Goose Creek Watershed. It has been determined by the NC Division of Water Quality that Mecklenburg County satisfies the information requirements of Rules 15A NCAC 02B .0602 (c) and .0607(f) regarding local delegation of authority for stormwater protection requirements and riparian buffer protection requirements, respectively.

Recommendation:

DWQ requests that the EMC grant approval of delegation to Mecklenburg County to implement and enforce Rules 15A NCAC 2B .0602, .0605, .0607 and .0609 for the Goose Creek Watershed within the Town of Mint Hill.
