Determination of Minor Construction Activity

North Carolina Division of Water Quality **Infrastructure Finance Section**

Project Applicant:

Town of Vanceboro

Date:

March 7, 2013

Project Number:

CS370450-03

Estimated Project Cost:

\$1,684,371

Estimated Funding Amount: \$1,651,344

Project Description: The proposed project will rehabilitate and replace collection system components in three sewersheds of the Town. The proposed project will include (1) performance of close circuit television (CCTV) on lines identified as problematic in the SSES Phase I to confirm defects, service locations, etc. and prepare SSES Phase II; (2) point repairs to approximately 375 linear feet (l.f.) of sewer; (3) rehabilitation of approximately 6,838 l.f. of 8inch sewer via CIPP lining; (4) rehabilitation of approximately 9,372 l.f. of 10-inch sewer via CIPP lining; (5) replacement of approximately 250 l.f. of 8-inch sewer with 8-inch ductile iron pipe; (6) replacement of approximately 100 l.f. of 10-inch sewer with 10-inch ductile iron pipe; (7) repair two manholes by regrouting; (8) replacement of one manhole; (9) replacement of the frame and cover on seven manholes; and (10) resetting of the ring and cover on approximately 20 manholes.

The above named applicant intends to apply for assistance from the State Revolving Fund program to construct the wastewater facilities described above. The North Carolina Division of Water Quality (DWQ) has conducted a review of the project in accordance with the procedures (NCAC 15A Subchapter 1C) for conformance with the North Carolina Environmental Policy Act. The DWQ has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by DWO and will be available on the DWQ Infrastructure Finance Section's website

(http://portal.ncdenr.org/web/wq/ifs/er/fonsis). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environment and Natural Resources, Division of Water Quality, Infrastructure Finance Section, and is available for public scrutiny upon request. Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Facilities Evaluation Unit, Infrastructure Finance Section, Division of Water Quality, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely

Kim H. Colson, P.E., Chief Infrastructure Finance Section

Division of Water Quality
